## FALL 1956 AND SPRING 1957

### Terms and Conditions of Sale

#### TERMS:

Cash with order. C.O.D. orders must be accompanied by at least 25%.

Accounts due 30 days from date of invoice.

To establish credit for open account it is necessary to give satisfactory references and allow sufficient time for investigation. To those whose credit has been established we allow 2% discount for cash 10 days from date of invoice, net 30 days. Cash discount applies only when prior balance is paid in full. Interest at 6% charged on past due accounts.

#### PRICES:

This list cancels all previous lists and quotations.

Boxing and Packing extra at near cost. Because of the cost of boxing materials and labor, we cannot box large bulky shrubs, trees, or B & B evergreens.

#### GUARANTEE AND CLAIMS:

Plants warranted to be true to name.

Plants warranted to be in good healthy condition.

We sell under the standard form Nurserymen's Non-Warranty Clause, which reads: "We give no warranty, expressed or implied as to description, quality, productiveness, or any other matter, of any nursery stock we sell." We accept no responsibility for the guarantee our customers give their customers or any governmental department or agency. All shipments are at the risk of the purchaser after being delivered to carrier in good condition. All claims must be made within 5 days after receipt of stock. All quotations are for immediate acceptance and subject to stock being unsold on receipt of order.

#### SPECIAL NOTICE:

Correspondents are requested to use their printed business letterheads.

---

This list is intended for the trade only. We sell only to those who expect to resell at a profit. We do not employ agents. We do not pack dealers' orders, nor do we authorize dealers to use our name in any way whatsoever.

## CAN GROWN STOCK

### ONE OF 2 ACRES WHERE OUR CANNED PLANTS ARE GROWN

This year we grew 50,000 plants in one and two gallon cans. Part are ready for sale in the Fall 1956 and Spring 1957. The balance will be ready by mid summer and later 1957. All stock has been grown in the can and not merely established for a few weeks or months.

We are proud of our can nursery. We invite you to inspect it anytime. No advance notice is necessary to pick up any of this stock.

Transportation arrangements can be made at reasonable charges for full loads, and cans work in well with B & B stock on part loads.

## GERMAN IMPORTED NURSERY TOOLS

Highest quality, specially designed nursery knives and shears. The only brand endorsed by the German Nurseryman's Association as the best brand **ever** manufactured in Germany. Each knife is handmade of the highest grade of steel, hardened by a secret process, which explains why the blades hold their keen edge longer than any other brand. There is pride of ownership and real economy in the long run in owning such superbly made nursery tools.

### 4¼-inch Walnut Handle

One of the best models for average pruning work. Fits the medium-sized hand.
